

Minimum Course Requirements

Students who will be under the age of 24 by the time of attendance at UNC Charlotte are required to complete a core group of high school courses. Those courses are:

- 4 units of English
- 4 units of math (Algebra 1, Geometry, Algebra 2, and an advanced math)
- 3 units of natural science (biological science, laboratory science, and natural science)
- 2 units of social studies (U.S. History and an additional unit)
- 2 units of the same foreign language

If you find that you did not complete those high school classes, you are required to complete courses at a regionally accredited college or university in the following subject areas. These courses must be transferrable to UNC Charlotte and must have a grade of C or better. We encourage you to use this worksheet to keep track of your courses that will meet this requirement. You may utilize the Credit Advisor on our website to determine which courses may be transferrable to UNC Charlotte from your college or university.

Once you have finished this core group of classes, please follow the instructions on our website for applying as a transfer student.

Hours and Subject	Course	Hours and Subject	Course
3 hours English	_____	3 hours English	_____
3 hours Math	_____	3 hours Math	_____
3 hours Science	_____	3 hours Science	_____
